

Curricular activities

Sl. No.	Date	Title	Topic	Speakers
1.	20/07/2018 & 21/07/2018	"Hands on training on working with cancer cell lines for preliminary screening of chemopreventive agents" from 20-21 July, 2018	Cell line study	Dr. Naveen Vishwakarma Dr. Dhananjay Shukla
2.	18/08/2017 & 19/08/2017	National workshop on "Principles and Application of Analytical instruments for Pharmaceutical Analysis	First Hand knowledge from Industrialist	Dr. Hemant Singh Chouhan Dr. Nagendra, Dr. Kamal Shah, Dr. Manju Singh Rawat
3.	08/09/2017 & 09/09/2017	In-vitro cell line techniques for drug discovery and development	Usage of Modern Tools of Pharmaceuticals	Dr. Deepesh Gupta Dr. Naveen Vishwakarma Dr. Deependra Singh Dr. Renu Bhatt
4.	23/09/2017 & 24/09/2017	"Frontier in Pharmaceutical Sciences and Research" Theme - "Advances in Development, Delivery Systems and Clinical Monitoring of Drugs"	Usage of Modern Tools of Pharmaceuticals	Prof. V. K. Dixit Dr. Erwin Faller Prof. Vijay Kumar Sharma
5.	05/03/2016 and 06/03/2016	Guest Lecture	Bridging gap between academic and pharmaceutical industry.	Dr. Devkumar Dewangan Mr. Prabhakara Parabhu
6.	11/04/2016	Workshop on Stem Cell Donation Technique	Stem Cell Technique	Mrs. Ananya Ghosh
7.	08/07/2016	Good agricultural and collection practices of medicinal Plants.	Agricultural Practice	Dr. S. P. Rao
8.	08/09/2016	Guest Lecture	Hydrotrophy Technology	Dr. R. K. Maheshwari
9.	05/08/2015	New Molecule Discovery	Research discovery and finding of new molecule chemical extract from	Chief Analyst Butchi Labs

			Puna	
10.	20/08/2015	Special Lecture Beyond Syllabus	Drug Design	Dr. Vijay Kumar Singh
11.	14-04-2015	Workshop on "Analytical Technique for Phyto-chemicals."	Analytical Technique for Phyto-Chemical	Dr. Nagendra Singh Chouhan, Dr. Sanjay Deharwal
12.	09-04-2015 & 10-04-2015	Workshop on "Care and Handling of Experimental Animals"	Care & Handling of Experimental Animals	<ul style="list-style-type: none">• Dr. Neelu Gupta• Dr. C. K. Chakroborti• Prof. Sagar Mishra• Mr. Manvendra Singh
13.	07-07-2014	Workshop on Preparation of Ayurvedic Formulation	Ayurvedic Formulation	Dr. Ravindra Kumar Pandey

SDP/ National & International Conferences/Workshops

S. No.	Particular of SDP/Seminar/Workshops	Sponsored by
1.	National Seminar - Utilization and Commercialization of Ethnomedicine of Chhattisgarh on 27 th -28 th March 2010	AICTE
2.	National Seminar on Importance of Documentation and Standardization of Ethnomedicinal Formulations on 1 st -2 nd May 2011	AICTE
3.	National Seminar – Need of Standardization of Indegenous Medicinal Formulations of Chhattisgarh	CGCOST
4.	Staff Development Programme - Innovation in Pharmacy Education Research and Profession in the Indian Context” on 20 th -30 th May 2011	AICTE
5.	National Seminar - Expectation of Industries from Academics on 14 th -15 th May 2012	CGCOST
6.	Staff Development Programme - Development, Valuation & Standardization of Classic Indian Formulations on 6 th -17 th May 2012	AICTE
7.	National Seminar – Advances in Molecular Pharmaceutics, Nanobiotechnology and Drug Research on 17 th March 2013	DBT
8.	National Seminar- Current Developments for Modernization of Indigenous Herbal Formulations on 16 th -17 th March 2013	ICMR
9.	Staff Development Programme – Globalization of Indian Herbal Formulations – Bottlenecks and Solution 8 th -19 th May 2013	AICTE
10.	National Seminar- Emerging Trends and Innovations in Drug Delivery and Pharmaceutical Sciences on 20 th October 2013	AICTE
11.	National Seminar- Rules and Precincts of IPR and Regulatory Affairs for Indian Drugs 29 th -30 September 2013	CGCOST
12.	National Seminar- Investigation of Ethano-Medicinal Plants used by Ethnic Group of Chhattisgarh	DST
13.	National Seminar-Recent Developments for Modernization of Indian Traditional Formulations 24 th -25 th January 2014	AICTE
14.	Workshop – Agricultural Practices of Medicinal Plant”	CIP

	12 th & 13 th September 2014	
15.	International Seminar- Frontiers in Pharmaceutical Science & Research. Theme – “Cutting Edge Technology in New Drug Discovery & Drug Delivery System” 11 th & 12 th October 2014	CGCOST, DBT & SERB
16.	Workshop on “Care and Handling of Experimental Animals.” 24 th -25 th Apr 2015	CIP
17.	Faculty Development Program - Recent Advances in Drug Delivery System. 8 th to 10 th Oct 2015	CIP
18.	Workshop on “Development of Analytical Techniques for Indigenous Drugs of C.G.” 26 th – 27 th February 2016	CGCOST
19.	National Seminar – “Bridging gap between Academic and Pharmaceutical Industry.” 5 th – 6 th March 2016	CGCOST
20.	Faculty Development Program - Recent Advances in Pharmaceutical Analysis. 20 th to 22 nd Oct 2016	CIP
21.	National workshop on "Principles and Application of Analytical instruments for Pharmaceutical Analysis 18 th & 19 th Aug 2017	-
22.	In-vitro cell line techniques for drug discovery and development 8 th & 9 th Sep. 2017	-
23.	“Frontier in Pharmaceutical Sciences and Research” Theme – “Advances in Development, Delivery Systems and Clinical Monitoring of Drugs” 23 rd & 24 th September 2017	ICMR, CCOST, JPES, SERB
