About the Institute

Columbia Institute of Pharmacy conducts B.Pharm, M.Pharm & Ph.D courses. The Institute is managed and run by Jan Pragati Education Society. CIP is accredited by National Board of Accreditation (NBA), New Delhi. It imparts the best education in the field of pharmacy, in central India. It has lush green campus, modern architecture constructed with ultra modern facilities. It constantly produces quality professionals in the field of Pharmacy. B.Pharm course started in 2006. Post graduation course with specialization in Pharmaceutics and Pharmacology commenced in the year 2010 and in 2017 - 18 post graduation in Pharmaceutical Analysis and Quality Assurance was started. Recently (2019-20), D.Pharm & M.Pharm (Phytomedicine) courses were started by the Institute. All the courses are approved by AICTE, New Delhi, PCI, New Delhi and affiliated to CSVTU, Bhilai. Columbia Institute of Pharmacy is also an approved research centre of CSVTU, Bhilai for conducting Ph.D programme. It has well furnished library, sophisticated instrument room, animal house, medicinal garden and library.

About the theme of seminar

This AERB sponsored national seminar, entitled "Implications and pitfalls in nuclear pharmacy through nanosized cargoes for treatment of diseases", is envisaged to bring about an interaction of nuclear and radiopharmaceuticals with science and technology. This will help in interdisciplinary research focusing on treatment of diseases through radiotherapy; nuclear pharmacy finds significant application in health profession. Moreover, the UG, PG, PhD students, researchers and academicians working in this area will be benefited. The aim is to use these concepts in industries and promote collaborative research and utilize these radio technologies for diagnosis and treatment of diseases. Students of pharmacy, nursing, life science and allied field with special references to Chhattisgarh will be provided a platform to become industry ready and the same time establish themselves as competent pharmacy professionals at par with more developed states of India.

Registration Fees

Students/Research Scholars/Academician/industrialist – **Rs. 300/-**

For online registration –

Deposit the registration fees (Rs. 300/-) in following bank account –

Name of Bank – State Bank of India

Account No. – 30160121712, IFSC Code – SBIN0009511

Account Holder's Name – Columbia Institute of Pharmacy

Branch – Budhapara Chowk, Raipur

Call for Abstracts for Poster Presentation

Abstract are invited for poster presentations that are based on the theme of seminar. The abstracts should be maximum of 250 words with 5 keywords and it should be submitted in MS word format, Times New Roman, 12 Font Size, 1.5 line spacing. The submitted abstract should clearly state the name of presenting author email id and affiliation of all the authors. Abstract should be submitted through mail at seminarcolumbia@gmail.com. **For more details contact –**

Mr. Gunjan Kalyani (E-mail kalyani.gunjan@yahoo.in), Mobile – 08349204583

Abstract submission Deadline – 15th December, 2019

Last date of registration – 18th December, 2019
