## Alumnae meet held at Columbia College

■ Staff Reporter  
RAIPUR, Sept 6

COLUMBIA College organised a alumnae meet of the passed out batch of 2010 to 2020 here on Tuesday.

Main objective of the meet is to celebrate the memorable moments and relations of the past. Besides celebration, the initiative was to begin the development process of the new relationship.

The past students shared their memorable and funny

moments which was a part of adding juniors to their group.

President Harjeet Singh Hura congratulated the alumnae for their achievements and advised that collected risk is necessary if you want to move ahead in life. If you do not take risk you will lose the way to the set target, he added. Principal of Pharmacy Faculty Dr Surendra Saraf also shared his views on the occasion. The programme concluded with Associate Professor Dr Bina Gidwani proposing a vote of thanks.

Management, faculties and past students posing for group photo.

# CGI oragnises Gotipua Dance of Odisha

**Raipur, Aug 04:** Columbia Group of Institutions hosted an event the Gotipua folk dance of Odisha ins association with SPIC MACAY which was performed by Mr. Anant Behera and his team comprising of 12 members

During performance which was after the lighting of lamp the team performed Pallavi, Abhinaya (Singh Vahini) and Bandhanritya as part of their dance style. Bandhanritya is a very complex dance. Gymnasia and yoga asanas have been used abundantly in this dance. A combination of the pastimes of Shri Krishna and Radha is seen in Bandhanritya. At the same time, the story of demons like Mahishasur, Chand-Mund has been brought alive in Singhvahini dance.

■ In association with SPIC MACAY

Gotipua dance form is over 300 years old and a major dance form among the folk dances of Odisha. In Gotipua dance, boys dance like girls. Gotipua dance is a traditional dance form of Odissi folk dance performed in praise of Lord Jagannath. The origin of this dance form is believed to be from the Jagannath temple. Speaking about his dance style Gotipua, the

head of the dance troupe, Mr. Vijay requested that students too should never forget Indian culture and should make every effort to take forward the Indian culture.

SPIC MACAY aims at disseminating Indian Classical Music, Dance, Art & Culture amongst the youth of the country. For this purpose, the team of Spic Macay invited their

theatrical dance form artists from Odisha today at the Columbia Group of Institutions in Tekari. The Gotipua team included Mr. Anant Behera, Mr. Chintamani Raut, Mr. Prasanna Jagannath, Guru Vijay Kumar Sahu and choreographers had graced the stage.

The welcome of the guests was done by the Principal of Columbia Global School, Mr. Ivan Smith and the vote of thanks was given by the Director Mr. Ravinder Singh Hura. Mr. Harjeet Singh Hura, Mrs. Kamaljeet Kaur Hura and Mrs. Deepjyot Kaur Hura also enjoyed the dance performances along with the students and staff of Columbia Global School, Columbia College of Pharmacy & Columbia College of Nursing.

# New HPLC machine installed at Columbia Institute of Pharmacy

■ Staff Reporter  
RAIPUR, Feb 14

COLUMBIA Institute of Pharmacy installed a new High Performance Liquid Chromatography (HPLC) machine in its Raipur campus. This is the latest feather in the cap of Central Sophisticate Instrumentation Laboratory. With the inclusion of this instrument, the institute has become richly equipped among the related institutions in Central India. The HPLC machine was procured from the grant sanctioned under DST-FIST-Scheme of Government of India. It was purchased from world famous company Shimadzu.

This instrument is of the most recent technology. It is equipped with three detectors RI, RF and PDA and it works on Automated Intelligence System (AI). This

HPLC machine installed at Columbia College of Pharmacy.

Chromatography machine operates on auto sampling mode with capability of detecting up to 216 samples at one time. The new instrument can be used for analysis of food products, chemicals, drugs, formulations and several

other products where chemical analysis is involved. The demonstration of instrument was performed for three-days by Scientist from Shimadzu Lab Mukesh Mehra and his colleague Yash Bhatt. During its installation and demonstration faculty members, PhD research scholars as well as students of UG final year and M Pharm were present.

During these 3-day demonstration, students brought their samples that they prepared in the laboratory and learnt how to investigate with the help of this instrument.

Chairman of Jan Pragati Education Society Kishore Jadwani, Secretary Harjeet Singh Hura and Principal of CIP Professor Amit Roy congratulated the coordinator of DST-FIST and the team members for successful installation and demonstration of HPLC instrument.

## कोलंबिया इंस्टीट्यूट में लिक्विड क्रोमैटोग्राफी मशीन की हुई स्थापना

रायपुर। कोलंबिया इंस्टीट्यूट ऑफ फार्मसी रायपुर में एक नई एचपीएलसी हाई परफॉर्मेंस लिक्विड क्रोमैटोग्राफी मशीन की स्थापना की गई। सेंट्रल सोफिस्टिकेटेड इंस्ट्रुमेंटेशन लेबोरेटरी की यह एक नई उपलब्धि है। यह मशीन सरकार की डीएसटी एफआईएसटी योजना के तहत स्वीकृत अनुदान द्वारा प्राप्त की गई है। इसे कंपनी शिमदजु से खरीदा गया था। यह उपकरण नवीनतम तकनीक का है तथा तीन डिटेक्टर और ऑटोमेटेड इंटेलीजेंस सिस्टम पर काम करता है। यह क्रोमैटोग्राफी मशीन एक बार में

216 सैंपल्स का पता लगाने की क्षमता के साथ ऑटो सैंपलिंग मोड पर काम करती है। इस उपकरण का उपयोग खाद्य उत्पादों, रसायनों, दवाओं, फॉर्मुलेशन और कई अन्य उत्पादों के विश्लेषण के लिए किया जा सकता है, जहां रासायनिक विश्लेषण अनिवार्य है। यंत्र का डेमोस्ट्रेशन तीन दिनों तक मुकेश मेहरा वैज्ञानिक शिमदजु लैब और उनके सहयोगी यश भट्ट द्वारा किया गया था। इस दौरान संकाय के सदस्य, रिसर्च स्कॉलर्स तथा स्नातक एवं स्नातकोत्तर छात्र भी उपस्थित थे।
